

Believing in Life

The Medavie EMS Group of Companies is committed to the delivery of effective health, safety and communication solutions through knowledgeable and caring professionals. Our belief is in a better life for the communities we serve in Nova Scotia, Prince Edward Island, New Brunswick and Ontario.

We are proud supporters of the **Tema Conter Memorial Trust** – for both its commitment to the memory of Ms. Conter and the assistance it provides all emergency services personnel.

Thank you for your dedication.
